Previous surface had been laid for 19 years.

This new surface will only last 5 years!

This is what it should look like.

So what are the TCC going to do about it?

The logo features the acronym 'PRRA' in a large, bold, orange sans-serif font. Below the letters, there is a stylized graphic of three wavy lines in orange and white, resembling water or a checkered pattern, that flows from left to right under the letters.
